# Barochamber Oxygen Treatment Operator

Reference code: VO11280

---

We have been providing therapies and support for people with MS and other conditions for almost 30 years. We need welcoming and friendly people who will help visitors feel comfortable during their time in the Centre. You will operate the barochamber to deliver oxygen therapy, which benefits the health and well-being of people with MS. You will be fully trained to operate the chamber, so no experience is necessary. Training will be at your own pace and usually takes about 10 hours.

## About Multiple Sclerosis (MS) Therapy Centre (Lothian)

The MS Therapy Centre Lothian is a locally-based, grassroots charity that has been providing support for people living with Multiple Sclerosis (MS) and other conditions across the Lothians, the Borders and south Fife since 1984. Our Centre delivers co-ordinated, holistic and person centred support services and therapies assisting people living with MS to self-manage and make informed decisions about their lives.

## Experience Required

Good people skills and able to follow instructions, no experience needed. Flexible time availability if possible.

## Training Details

We have our own in-house training programme and will do what we can to help you access external training too. We run regular volunteer support sessions where you can receive further coaching and get to know other volunteers.
