

FareShare Driver

Reference code: VO16394

Overview We have a Good Food Programme which is a social enterprise that supports people to move towards a more settled lifestyle through access to food and cooking skill development. Part of the Good Food Programme includes FareShare: a national network redistributing surplus food from supermarkets and bakeries to organisations working with vulnerable people. We are the FareShare delivery partner for Central and South East Scotland. Our depot has a small staff team and volunteers.

About Cyrenians

Our vision is an inclusive society in which we all have the opportunities to live valued and fulfilled lives. We work to make that vision a reality by our mission to support people excluded from family, home, work or community on their life journey.

Experience Required

Essential 18+ years of age. Standard, clean driving license. Confident in driving a medium sized van. (experience is preferable) Confident at map reading and able to use a Sat Nav system. Able to perform physical tasks including lifting and loading. Adaptable – managing surplus can be unpredictable!
