

FIRST Tech Challenge Game Changer

Reference code: VO16912

FIRST® Tech Challenge, or FTC for short, is the world's largest robotics competition, and for the first time in its history, Scottish teams have a Scottish location to compete in – Tynecastle Park. We are looking for volunteers to join the event squad at our regional tournament on Wednesday 20th March. There are a huge variety of Game Changer roles you could take, no matter your skill set, including being an emcee, a judge, or even a referee.

About Heart of Midlothian FC Innovation Centre

The Innovation Centre offers free digital education programmes and are supervised by volunteer mentors, recruited from businesses across Edinburgh, who introduce attendees to basic coding skills through lessons that include designing and coding fitness trackers and programming.

Experience Required

There are a variety of roles, so skill-sets can greatly vary.

Training Details

FIRST Tech Challenge UK will provide online training for their role.
