

Passenger Assistant (Escort)

Reference code: VO11002

Our escorts will receive training that will make them competent in assisting frailer older people in wheelchairs. This training is an accredited course where students will receive a nationally recognised certificate Passenger Assistant Training Scheme (PATS). Must be willing to undertake a disclosure through the PVG Scheme

About Pilton Equalities Project

Since 1989 PEP has been enhancing the quality of life for people in North Edinburgh. PEP provides a range of services that bring people together, help them participate and tackle exclusion and health inequalities. PEP provides activities, learning opportunities and community transport all of which help enable people to actively participate in community life.
