# Trustee/Board Member

Reference code: VO16518

---

We are looking for three people to join our board as trustees. We are a newish organisation, set up to help maintain the kirkyard of St Cuthbert's Church in the city centre. Operating separately from the congregation, and having no religious aims, we keep the place clean and tidy for the near million visitors who pass through each year. We hope to recruit a few board members who can bring with them ideas on how to expand our membership beyond the church's congregation and help organise events.

## Experience Required

There are no qualifications required, as such, but good communication skills and the ability to work with others are essential. We would particularly welcome those with experience that could assist in membership recruitment, fundraising and events management.

## Location/Travel Details

We currently meet by Zoom and this may well continue. Therefore much work can be done from home. The site location is in the city centre and very accessible by public transport.

## Expenses

We can cover bus fare to meetings, if required.
