# Bilingual Media/Marketing Volunteer

Reference code: VO16530

---

You can assist us with: Providing language support for clients, connecting us with clients and translating queries and answers from/to clients. Promoting our services and activities on social media and within your local area, delivering multilingual online information sessions, translating social media posts, materials and resources. Mailing campaigns. Organising and delivering online and in-person events. Understanding and identifying migrant support gaps in your community.

## About Citizens Rights Project

Citizens' Rights Project provides information, advice and support for EU citizens in Scotland by connecting groups and organisations working within European communities. We are a group of third sector workers, researchers, legal experts and volunteers.

## Experience Required

Currently, we are particularly interested in: People who speak Bulgarian, Czech, Estonian, French, Latvian, Lithuanian, Portuguese, Slovak and Ukrainian. People living in Scottish rural areas People based in the Highlands and Islands, Aberdeenshire, Angus, Fife, Ayrshire, Lanarkshire, Dumfries and Galloway.

## Training Details

We offer regular training and catch-up sessions to make sure our volunteers are up to date about the progress and new activities of the organisation. We also provide you with the resources and tools that you need to reach out to your local community. You will be covered by our indemnity insurance.
