

Paul Bennett Volunteer Manager of the Year Award

Jacqueline Macrae Shop Manager, Cancer Research UK Portobello Branch

Paul Bennett Volunteer Manager of the Year Award

Jackie actually started with us a volunteer 8 years ago and her passion, organisation, and people skills quickly led to her covering the shop and then successfully being appointed as Shop Manager in our Portobello shop in Edinburgh. Jackie is driven to do a good job - and has just finished on a record-breaking year in the shop. She has a small shop - and a small but very mighty team of volunteers to support her. Her team feel involved, supported, and valued. Jackie takes the time to celebrate birthdays, milestones and celebrate her volunteers for our annual Flame of Hope awards.
